Plaintiffs,

vs.

SKYWEST AIRLINES, INC.,

Defendant.

Case No. C-07-2688 CRB

**JOINT CASE MANAGEMENT
CONFERENCE STATEMENT**

Date: December 14, 2007

Time: 8:30 am

Place: Courtroom 8, 19th Floor

1 The parties jointly submit the following case management conference statement, addressing
2 the issues of Alternative Dispute Resolution ("ADR") and case scheduling:

3 1. Alternative Dispute Resolution

4 On October 12, 2007, at a Case Management Conference ("CMC"), the Court indicated that
5 the case should not be assigned to ENE at that time. Instead, the Court reset the case for a further
6 case management conference to be held after the completion of the union election. At the October
7 12, 2007 CMC, the Court decided, with the consent of the parties, that alternative dispute resolution
8 options should be explored at the further CMC. The union election is now complete and the results
9 of that election do not alter Plaintiffs' desire to pursue the claims set forth in the Complaint. The
10 parties are very familiar with the legal and factual issues in the case and this Court has already issued
11 a preliminary injunction. The parties believe that ADR is unlikely to facilitate resolution of this case
12 and would thus force the parties to engage in an unnecessary expenditure of resources. As a result,
13 the parties respectfully submit that this case is not suitable for ADR and thus jointly request a waiver
14 from the Court's ADR program.

15 2. Case Scheduling

16 Consistent with the deadlines set forth in the parties' prior Joint Case Management
17 Conference Statement, filed on October 1, 2007 (Doc. No. 179), the parties propose the following
18 schedule, in the event the Court grants the parties' joint request for a waiver from the ADR program:

19 Discovery cut-off:	June 30, 2008
20 Summary Judgment Motions due:	July 25, 2008
21 Opposition Briefs due:	August 8, 2008
22 Reply Briefs due:	August 15, 2008
23 Summary Judgment hearing:	August 29, 2008
24 Trial:	90 days after a decision on any summary judgment
25	motion(s)
